

NFCA[®]

WEEK OF LEARNING

BROOMFIELD
colorado

march 31 | '25
april 4

SCHEDULE OF EVENTS

PRE-REGISTRATION REQUIRED

IFRM and SFRM Contractor Accreditation Programs prove Contractor knowledge, establish quality control processes, and ultimately improve the quality and accuracy of installed Intumescent Fire-Resistive Materials (IFRM) and Sprayed Fire-Resistive Materials (SFRM). Set your business apart from the competition and become an NFCA IFRM and SFRM and UL SFRM Accredited Contractor.

By entering and your presence here, you consent to be photographed, filmed, and/or otherwise recorded. Your entry constitutes your consent to such photography, filming, and/or recording and allows National Fireproofing Contractors Association (NFCA), its licensees, assigns, successors in interest, and legal representation the irrevocable right to any use, in any and all media throughout the universe in perpetuity, or your appearance, voice, and name for any purpose whatsoever in connection with the production of the NFCA Week of Learning, Wol '25.

WEDNESDAY, APRIL 2, 2025

3:00 pm - 3:45 pm

NFCA Association Report & Annual Business Meeting

Bill McHugh, NFCA | Mathew Stephenson, 2024 NFCA Board President

Hear from the 2024 NFCA Board President and NFCA Technical Director as they review all the exciting things that happened at NFCA last year and everything there is to look forward to in 2025.

3:45 pm - 4:15 pm

The NFCA & UL SFRM Contractor Accreditation Programs Updates

Bill McHugh, NFCA | Mark St. Onge, UL Solutions

Half of NFCA's Contractor Members are accredited in NFCA's Contractor Accreditation Program (CAP), with hundreds of DRIs on staff.

UL's Qualified SFRM Contractor Program now has its first company on board.

The NFCA CAP and UL SFRM QFCP Programs provide NFCA Contractor Members the ability to jump to the next level of professionalism and separate themselves from competitors. This session provides an overview of the programs' status and new developments worldwide.

4:15 pm - 5:15 pm

NFCA Award of Excellence Nominees

You've seen the candidates, now hear from the 2025 NFCA Award of Excellence nominees as they highlight interesting project challenges and how these challenges were overcome. From safety to productivity to logistics, hear from the best of the best, and then cast your vote for the winners!

5:15 pm - 5:30 pm

Meet the Committees - Round 1

Don Armand & Nikita Gordon, Canada Committee | Adam Carter, Membership Committee | Keith Fernald & George Guanci, Finishes Task Group | Neil Rivers, Safety Committee | Paul Steele, Accreditation Committee

The NFCA Board of Directors is making the call to members to get in the game and get involved in your Association to help shape the future of the fireproofing industry.

But you may have questions:

- What do NFCA Committees actually do?
- How much time is involved in Committee participation?
- Which Committee is the coolest?
- Which Committee Chair has had lunch with the President?

In this, the first of our 'Meet the Committees' sessions, we'll hear from the Accreditation, Canada, Membership, and Safety Committees and the Finishes Task Group Chairs and get answers to your burning Committee questions.

THURSDAY, APRIL 3, 2025

8:00 am - 9:00 am

Breaking Busy - Finding Purpose and Peace in the Chaos

Linda Edgecombe, Learning Edge Resources

It's time to step off the treadmill and get back to purpose-focused workplaces!

The challenges most organizations face are staff burnout, distraction, and an ongoing feeling of overwhelm.

This session equips you with tools to reduce busyness, increase engagement, energy and productivity, and the inspiration to literally take your life back.

Presentation takeaways:

- Discover what the "being busy pace" is

doing to our work and personal lives.

- Explore simple steps to move forward when you are in a state of overwhelm.
- Learn strategies and tools to change your busy mindset to a successful thrive mindset, including the clarity planning tool.
- Learn how to lead with curiosity, accountability, and positivity.
- Get instant energy from laughing throughout the presentation.

9:00 am - 10:00 am

The Estimating Master Class

Joe Colavita, Martin Bros. | Carl Fernald, PCI

TBD

10:15 am - 11:00 am

Killer Contract Clauses

Philip J. Siegel, Esq., Hendrick, Phillips, Salzman & Siegel, P.C.

The course will discuss the most important risk-shifting contract clauses that fireproofing contractors commonly face when presented with a contract from a General Contractor or Owner. We will discuss the legal consequences of these clauses. We will also discuss how to revise these clauses so that they are more equitable for the fireproofing contractor.

11:00 am - 12:15 pm

Week of Learning Special Event: Software Demos

Clearstory | TBD

Attend this session featuring live demos of various software solutions to improve your business, efficiency, and work flow.

1:00 pm - 1:45 pm

Exhibitor Member Updates

NFCA Week of Learning '25 exhibitors take the stage to announce new products and company news!

1:45 pm - 2:30 pm

Will Construction Thrive or Dive in '25?

Ken Simonson, The Associated General Contractors of America

Contractors were optimistic about most project types going into 2025. But new challenges have arisen regarding materials costs, supply chains, labor availability, and financing. What should fireproofing contractors expect heading into the second quarter and beyond? Ken Simonson, chief economist for AGC of America, will present his fearless forecast.

2:45 pm - 3:30 pm

OSHA 2025: What to Expect From the New Administration

Patrick Miller, Taft Law

TBD

3:30 pm - 4:15 pm

The 2027 Code Development Cycle & You (Yes, It Applies to You!)

Bill McHugh, NFCA | Rich Walke, CTI

TBD

4:15 pm - 4:30 pm

Meet the Committees - Round 2

Joe Colavita, Project Management Task Group | John Dalton, Manufacturer Committee | Nikita Gordon, Program Committee | Paul Steele, Technical Codes & Standards Committee | Mathew Stephenson, Technical Education Committee

In the second installment of the 'Meet the Committees' session, we'll hear from the Canada, Education, Manufacturer, Program, and Codes & Standards Committees and Project Management Task Group Chairs.

FRIDAY, MARCH 15, 2024

8:00 am - 9:00 am
